Help Make a Difference in the Our Community by supporting positive relationships between Local Police Officers' and Disadvantaged Youth!

Greetings,

My name is Bud Smith, President of **The Santa Clara County Peace Officers' Association**. On behalf of our officers and our fellow citizens, I am asking you for your support. While our nation is facing unprecedented times with the youth's mental health of today the need is greater than ever to reach these individuals with positive relationships and support.

The Santa Clara County Peace Officers' Association has 171- acres with private campgrounds, hidden among the redwoods, off Highway 9 above the City of Saratoga. Peace Officers' from Santa Clara County and many other agencies around the Bay Area have given support to disadvantaged youth for over 50 years.

The campground area supports outings for resource officers' to spend time fostering positive relationships with students from Jr. High and High Schools from around the Bay Area. We have an area to play soccer/volleyball and basketball with these students.

Your generosity will make a difference in the lives of so many Bay Area Youths!

By Supporting **The Santa Clara County Peace Officers' Association** you are supporting positive communication with disadvantaged youth and your local police. Today more than ever we need the youth to feel safe with police and be able to freely speak up if they "See something - Say something".

HELP our communities create Strong, Positive Relationships between our youth and Local Police Officers by donating today!

What you give today will help Bay Area cities, and our communities, thrive tomorrow!

Sincerely,
Bud C. Smith, SCCPOA President
